3. Talked with Kenneth Sprankle, House Appropriations Committee staff, to follow up the Director's suggestion that we offer him briefings. Sprankle indicated that he might well wish to talk to some of our people in various stations. He asked for a list of the station chiefs. However, it was finally agreed that he would request [redacted] put him in touch with the CIA Chief of Station. Sprankle was concerned whether he would get an appropriate briefing under these circumstances and I assured him an instruction cable would be forwarded to those stations. It was agreed that Sprankle would not bring any of the other party members into the picture. Stations to be contacted by cable include [redacted] [redacted] although it is not certain that Sprankle will contact all of these points.
